The Story:

I found Angie's site by chance and decided I just had to meet her, as I had a lunch in Town on the first day of her tour. Angie was easy to contact by phone and our meeting was soon arranged. On arrival I called Angie from outside the hotel and was directed straight up to her room - no problem with getting past reception, by the way, and no key card to worry about.

Angie greeted me in a stylish dress and high heels and sat me straight down with a glass of water, as I was a bit breathless from my journey. We chatted for a short while, sorted out the donation, and then she asked me what my expectations were. I said that she might have some trouble getting me hard, as I had forgotten my usual chemical aid. Angie regarded that as a challenge, and soon I was naked on the bed with my cock in her mouth. Wow, can this lady give head! I was quickly rock hard under Angie's expert ministrations, so she straddled me with her panties still on and rubbed her pussy against my cock until she came. We then indulged in some 69, before Angie covered my manhood with a durex and mounted me for some energetic fucking. No more details, folks, but the rest of the hour passed in a blur of sex, interspersed with some lively conversation.

Angie is available weekly in the Euston hotel - get there soon if you want a real treat, guys!
