The Premises:

Well reported upon. Big thing for me was though the opportunity for a sauna and long hot shower to ease a strained muscle.

The bigger thing for me was that beds are back! And in the room I used it was a supersize round one with mirrors all round and a sort of mirror on the ceiling.

The Lady:

Had always liked Louisa's pictures on the site but hadn't been to VH recently. Different from how I interpreted the no-face pictures but absolutely lovely. A healthy figure which is firm plus girly breasts and a super smiley pretty face.

Altogether an absolute heartbreaker in the office where you could readily imagine her trailing blokes' glances everywhere she walked.

The Story:

Louisa couldn't have been more attractive, friendly, elegant and accommodating. With my back I wasn't looking for energetic and we had the perfect time, with cuddles, fondles, kisses and more.

A good oral and a lovely 69 which finished with Louisa changing the condom while apparently unthinkingly sitting full on my face.

Always captivating little whimpers in reaction to anything happening.

Really good though gentle sex starting with reverse cowgirl - a total treat to be intimate with this lady.

Finished with handjob and conversation. A total delight.
