The Premises:

A very nice flat. Quite posh. Nice bathroom, 5 star. Bedroom was rather nice too. I would be happy to move in.

The Lady:

A perky young lady. Looks so like Sara Gilbert (Darlene from TV show Roseanne). Beautiful blue eyes, fab boobs and overall a nice little package.

The Story:

This cheeky little thing is probably older than the 19 years on the website, either that or she's extremely self-assured for her age. She has a good sense of humour which made me laugh and seemed willing to talk about anything. Told me she had a hangover but to me she looked a picture. The sex was good too. For some reason 30 minutes lasted a long time and thankfully I lasted too. A great time with a great gal. No rush out the door either. Had a relaxed shower and appeared to find Rihanna patiently waiting to see me out. The way this game should always be but seldom ever is.
