### The Premises:

As usual, clean, best place in Bury

### The Lady:

Chinese lady, great personality, GFE, massive nipples and likes them pulled like organ stops

### The Story:

Showered, then massage. Used the oil, teased the arse and then shoved 2 fingers right up to prostate. This continued for a while then turned over and she started sucking away. The 2 fingers reappeared again and still sucking away for fun. Just could not hold back and let her avit. Wiped clean then asked her to sit on my face whilst I tasted her gravy and she duly obliged. Great time, my footie team scored, I scored and plenty of treats for halloween.
