## The Story:

Showered, then massage. Used the oil, teased the arse and then shoved 2 fingers right up to prostate. This continued for a while then turned over and she started sucking away. The2 fingers reapeared again and still sucking away for fun. Just could not hold back and let her avit. Wiped clean then asked he to sit on my face whilst I tasted her gravy and she duley obliged. Great time, my footie team scored, I scored and plenty of treats for halloween.
