The Story:

Seen the reviews on here and thought I would check her out. She turned up at my place in a white dress which really struggled to hold her boobs in place.

Despite being nervous as this was my first booking with a pornstar Savannah was really easy to talk to and we chatted with ease.

After freshening up we moved onto the action and I have to say she gave me an awesome time. Unfortunately for me the hour went by far too quickly and I'm now saving hard to see her as a christmas present to myself ;)
