The Premises:

Suki lives in a nice second floor apartment in what looks more like an office building from the outside but is a nice and large apartment.

The Lady:

Suki is very slim and damn sexy. She was wearig some very sexy lingerie and I couldn't wait to get to the action!

The Story:

Suki is a very dirty girl and loved teasing my cock before thrusting it into all three of her tight little holes. She ate my sausage licking it good with some nice sucking action too, letting me shoot my love juice into her slutty little mouth. Next she gave me a decent massage followed by some energetic sex in both her holes. She has a nice and tight and very wet pussy which i took great pleasure in fucking as well as an extremely tight asshole which I had to be gentle with but she took it well. She is a girl who can be sweet or she can be pure filth and its obvious she loves sex. She is a girl I can easily say is well worth seeing. Thanks Suki for a great time!
