The Lady:

BEWARE!! Angels of London often sends punters to wrong girls. Called and got confirmed booking for Cindy, from Eastern European sounding bloke. Alarm bells started ringing when sent to Bayswater (website lists Cindy in Paddington). Asked for Cindy at the doorbell but Claudia answered without explaining she wasn't Cindy. Both are blonde and yes Claudia is nice but she wasn't Cindy.

The Story:

Called agency back to ask what happened, and first they said, Cindy works in the same place (remember, website says Paddington for Cindy, not Bayswater, and there certainly wasn't any Cindy in the apartment at the time). Then he just got abusive, with a string of four letter words in an Eastern European accent, after they'd taken the money to send me to the wrong girl. Nothing special though because Angels of London appears to try the same cheat on all of us (see reviews 93816 and 92770). If you're crazy enough to use these guys, cancel if they switch the destination from what the website says.
