The Premises:

The sauna is well organised and has a good facilities, including lockers, and Sauna. The lounge area is nice and there was a number of girls sitting there for your perusal. Everyone was lovely and the girls were all gorgeous. It was a hard choice

The Lady:

Connie is quite tall, good legs, black stockings, lovely black hair, slim, shaven and she smells fantastic

The Story:

Connie made me comfortable, and we cuddled for a bit before she started massaging my cock. After a few more minutes of play she reached for a condom and put it on using her mouth, and we had sex.

It was amazing, absolutely amazing, energetic, hot, loud and her legs were wrapped around my back as we got it on. She is something special, and hopefully I will be back soon.
