The Premises:

Nice 1st floor apartment with secure entrance. Road parking difficult but possible. Two car parks within 2-3 minutes walk.

The Lady:

Harriet is a tall slim I would say a size 8 blond even better looking than her profile and web site suggests. She has a great personality and set me at ease from the moment we met

The Story:

Harriet was running a few minutes late but she did text me to let me know, although we did run over our 2 hours. It was well worth the wait. A short buzz on the bell push and I was let in. Greeted at the apartment door in a sexy nightie and the skimpiest of knickers Harriet left nothing to the imagination. After a shower and a cup of coffee followed by a glass of red wine (Harriet loves Merlot or Sauvignon gents) it was down to action on the bed.

A deep massage with baby oil followed by heavy kissing while we both explored one anothers` nether regions. Sir Percy soon sprung into life pointing to her attention.

A slow sensuous OWO followed, but I had to slow Harriet down (didn't want to finish too early). On with the top coat and the view of Harriet riding Sir P in reverse cowgirl position was too much. It was then my turn to take part in my 2nd favourite pastime, giving oral. Harriet really does love receiving oral and at the same time as she used a toy on herself she came in several shudders with her back arched so high I thought my head would hit the bedroom ceiling. Harriet says she never fakes an orgasm and believe me she didn't. The 2 hours soon went and it was time to part company. Will I recommend Harriet ? most def. Will I return ? again most def.
