The Premises:

Discrete enough though in town centre. Safe at all times. Room I used was pleasant with bathroom next door.

The Lady:

Mature, plump, attractive, smiley and friendly Indian lady.

The Story:

Had seen Ms India about the place and liked her manner. Now booking in with her I wasn't to be disappointed.

Lovely to cuddle up with and then to explore. Really enjoyed reverse oral with good effect. Then enjoyed sex in various positions with Ms India happy to bend and turn and lift legs which I wasn't sure she would do. She was fully involved, clearly enjoying it all and very complimentary whenever I did something she liked.

HJ and cuddles to finish which I eventually had to signal as she was happy to carry on.

Really nice experience - love Indian women but usually go for younger women of all kinds. This was great though because Ms India was positive and involved and good fun to be with.
