The Premises:

The place was clean and on a safe backstreet about a 5-10 minute walk from Guildford town centre.

The Lady:

I knew I was in for a treat when Christina answered the door in fishnets, red lingerie, and high heels. She has an incredibly sexy toned and tanned body, the face of an East European model, and a charming accent from that region. She was a pleasure to walk behind as I followed her into the room.

The Story:

Christina massaged me for a bit, and then homed in on my erogenous zones. On with the condom, and then oral that would have made me climax if I hadn't stopped her. Onto missionary with kissing. She smelled delicious. I then propped myself up to admire her body, and climaxed 20 minutes in as she looked and smelled so damn sexy. She was easy to chat with and cracked a few jokes.
