The Premises:

A 5* hotel close to Liverpool Street Station. Immaculate and spotless as expected. Easy to find for most people, but as usual, I got lost (again) but always allow for this so was still on time.

The Lady:

Exactly as her website shows, although a special mention is due for those sparkly blue eyes.

The Story:

I had wanted to visit Penny for quite some time now, but travel and location had always prevented me from doing so. When I saw that she was visiting London on a Saturday, I jumped at the chance and arranged a meeting ASAP, which was very easy to organise, with all replies arriving promptly.

I was very nervous when knocking on the door, but I needn't have worried as Penny is an expert at making you feel right at home and relaxed in no time at all. Kissing is such an important aspect of a visit for me, and we had discussed this beforehand. Right from that first smooch, I knew I was in for a great time as Penny is a wonderful kisser. We must have spent the first 30 minutes or so having our smooch-a-thon and it was lovely!

I always like to take things very slowly, and was happy to let Penny lead for most of the time, and I never felt things were moving too quickly or slowly, everything just felt right. Sometimes I would take a few seconds to lie with her and savour the moment with a smile on my face. She is extremely perceptive and seems to sense exactly what I wanted at all times without me saying a word.

The hours I shared with Penny were exactly what I wanted. Slow sensual seduction, growing in intensity as time went on leading to... well, I don't think I need to spell it out, but let's say things got better and better as it got racier. The cuddles throughout and afterwards were also not to be overlooked.

If I had to describe our liaison in one word, it would be "sensual" with "snogathon" coming a close second (if that counts as a word). I would recommend Penny very highly to anyone looking for a true GFE (if you excuse the cliché), particularly nervous gents, as she is VERY good at making your

visit a time you will never forget.
