The Premises:

Well reported as pleasant clean place with entrance on quiet road behind station.

The Lady:

Smoking hot! Long blonde hair, Great breasts and tanned slim body.

Very sexy tattoo's giving her a bit of a bad girl look. This combined with her fun open personality makes her a great girl.

The Story:

The moment Diana walked in I had a feeling this was going to be a success and I wasn't let down.

When Diana came into the room she stripped the clothes off the pair of us, pushed me back onto the bed and jumped on. After some light foreplay and very deep covered oral with load of eye contact she asked me to shag her. She had great energy and peas up for trying many positions.

When I had finished up she gave me a massage until the end of the appointment.

She is a great girl that has an incredibly sexy twinkle in her eye
