The Lady:

Tall, slim blonde.... very sexy, brace on her teeth which is quite cute. Age guess about mid 30's.
Wore house uniform - heels, stockings and underwear.

The Story:

She took me to the room, really friendly. Lay on the bed as she told me about her 2 girl experiences earlier in the day.... Really got me going.... Started with massage and little bit of ball playing... as she ran through the menu... 100 pound for GFE and facials.. She turned me over and we started kissing, very sexy....then I went between her legs for a bit of oral..she seemed to enjoy it. Then a covered BJ followed by some penetration on her as she rubbed her clit.. quickly pulled out removed raincoat and wanked all over her face - more her neck really but she really liked it.

This lady is great..she her again ..very sexy and knows how to talk to a man...
