The Premises:

Very nice, modern apartment block next to the shopping arcade. Free parking close by, though availability is dependent on time of day, so have some change just in case you need to take a parking space that needs paying for. In addition to bed, room also had a leather sofa and mirror - nice touches that come in useful if you like off mattress action.

The Lady:

Really pretty, clearly east european lady, blonde, B/C cups, slim, full lipped - smiley and lovely.

The Story:

Introduces herself with a big smile and kiss on the lips, always a good start and a nice indication of things to come. On return, she is straight into it, full on DFK, gyrating herself all over and gets you well in the mood. She also has great hands, wonderful, unrushed, firm back massage, before getting into rigorous, deep, saliva lubed BBBJ, only fair to then return the favour which she seemed to enjoy. On to the main event, with her in cowgirl, just the right moans and groans, and felt and smelt groin area being satisfyingly juiced on, before my own climax. If you like it full on, this girls for you, she does not hold back.
