The Story:

?120 is more than I usually spend and Telford is a long way from home, but after reading all of Helens reviews on Punternet, I had to meet her. She is one hell of a lady and puts you at ease from the word go, she's chatty and super sexy. Her BBBJ is brilliant as is the shagging, kissing, and the anal sex. I know that it's all been said before, but Helen is truly brilliant. I'm just counting the days until my next visit.
