### The Story:

I had seen Mei before at HOD so I knew her sexual charms were as good in the flesh as in a photo. In fact more so because she has a delightful fun personality. It was great to see her back and she remembered me, especially as I had the champagne and strawberries she had suggested when I saw her 18 months ago.

Our session began on the sofa with kissing, fondling and stripping one another, and culminated nearly 2 hours later in my third intense orgasm-as intense as the first skilfully induced by Mei's lips and mouth-as Mei reversed onto me, thighs spread, plunging that perfect pussy energetically onto my cock: the sight of those cute firm buttocks moving rhythmically in front of me was too much.

Mei, thanks for waving your sexual wand and transforming an ageing pentagenarian into a young stud! See you soon. J x
