The Lady:

I'd spoken to Rio a few times on sexstation and bluekiss and decided to take the plunge and actually meet up with her. She is better looking in real life than she appears on the TV, very friendly and soon puts you at ease. Not as tall as I thought she'd be (about 5 foot 3 or 4), but that just must be that the TV adds 5 inches!

The Story:

Rio was all over me and I was genuinely taken aback by this. She really seemed to enjoy our time together. She was dressed up in a police uniform as requested and she can certainly talk dirty. Wow. She provided uncovered oral, fisting (receiving - which made her come like a rocket especially when I tickled her clit piercing at the same time), covered penetration and covered anal. All were amazing.
