The Premises:

A short walk from Borough Tube. I was met by Dolly and guided to her boudoir. What a setting. Clean, with soft lighting, scented candles and ordered chaos set the scene for seduction. Felt safe.

The Lady:

Dolly is a very attractive woman. Her attractiveness is not just physical, its a whole package of intelligence, fun and sensuality. Her soft Scottish accent and friendly approach instantly banishes any nerves.

The Story:

The details of our time together I won't go into. Suffice to say that conversation over a glass or two of wine flowed easily on so many different subjects, the seduction was wonderful with much giving and taking, and the "post party" entanglement meant that we went well over time. An experience not to be missed.

Will I be back? Oh Yes!

Dolly - Thanks.
