The Story:

Because of the inconvenience of Prostate Cancer (now completely cured!) I hadn't visited Sacha for about 4 years, but was greeted as a long lost friend when she let me in to the flat, beautifully dressed in a skimpy number that just let her nipples out above the dress! It was as though I had only made my last visit a few weeks ago, straight down to o.w.o, followed by oral on her inviting pussy (causing her to cum), a jacketed doggy fuck, and the rest passed all too quickly culminating in me having an intense orgasm.

Lovely girl, good conversation, a real and super GFE, treat her well! Highly recommended.
