The Lady:

Susie description on the web is not accurate, she is even more gorgeous than described and her photos could ever show. She has a natural tan and her skin is silk smooth.

The Story:

When I arrived I was met by a friendly receptionist who made me feel at ease. She informed me that only one girl was free and introduced me to Susie. The next question was would she be OK for me, well is the pope a catholic? she was stunning, freindly and free. What went on between Susie and myself stays between us but suffice to say that I had the best punt for many a day. My only disappointment after was that I had not booked her for longer, but I will know next time. Thanks Susie, I am still dreaming about our encounter a week later and will you marry me?.
