### Details of Service Provider:

**Company:** 4hands Massage

**Phone:** 07530507883

### The Premises:

This is a clean working flat, very safe and friendly staff.

### The Lady:

I would say she is a 30 something Latin woman, with all the right curves and flat stomach. I love latin women and I think she is Portugese not Spanish. Very Attractive and horny as hell.

### The Story:

Been to this place many times over the last three years. They offer four hand Thai massage, this is done by two Thai ladies. They offer happy ending, for this, you are joined by another lady that comes in to complete your happy ending part. On this visit I decided to skip the massage and go for the 30 min with Larna. Plenty of good deep kissing followed by oral with and some light balls sucking before going into mish. Well worth the money paid.
