### The Premises:

A private flat in a quiet cul-de-sac, in a suburb on the north side of Birmingham. The flat is clean, with a nice comfortable bed.

The area seems safe; you can park in the road.

### The Lady:

Mid-20's at a guess. Petite ( 5'2" ), with a figure best described as "cuddly, bordering on BBW" - and the second B is definitely accurate! Very pretty, with long dark hair, nice boobs, shaven haven. The photos on her web site really don't do justice to her pretty face!

### The Story:

Somebody call Heaven - they're missing an angel!!! OK, I know that's corny, but Aimee is an absolute gem of a girl! She's sweet and gentle, cute and cuddly, but at the same time VERY sexy and horny - and she truly enjoys her work.

When she came to the door, my first thought was "Wow!!!" If you like girls a little on the plump side, then she really is beautiful.

We quickly undressed and got on the bed, and she began with a skilled and prolonged session of OWO, deep throat included - the feel of her long soft hair on my skin adding to the sensation. We then kissed and cuddled for a while, before I gave her pussy a good licking, which she clearly enjoyed.

Next, I straddled her and put it between her boobs as she squeezed them together; they are just the right size for that!

When we began the sex, she even made putting on a condom sexy; she did it with her mouth. We had a long session of slow, gentle missionary, with lots of kissing.

After a while, we stopped for a rest, and lay in each other's arms for perhaps 15 minutes, kissing, cuddling and gently caressing.

When it was time to resume the action, Aimee sucked me again to get me good and ready; Round 2 was cowgirl, at which she is very skilled.

Finally, I licked her to a shuddering orgasm, which certainly wasn't faked. She responded with some more OWO, until I came in her mouth.

Aimee is definitely not a clock watcher. We had finished about 20 minutes short of my hour and a half, so we spent that remaining time - and a little more - kissing, cuddling and chatting.

To summarise, Aimee surely belongs in the top 1% of British escorts. She is one of those elite few, for whom the overworked term GFE is accurate; you can easily forget that you're paying her, and imagine that she's your girlfriend for the evening. A truly lovely, sweet girl! Treat her properly, guys; she deserves it. She's a little treasure!

Will I see her again? As Churchill says - Ohhh, YES!!!

Do I recommend her? NO - cos I want her to myself! Seriously, of course I do.

Thank you, gorgeous Aimee - see you again soon! xxxxxx
