The Lady:

mischa, is must definately the same girl, she is not as petite as the website shows, very cool lady with good sense of humour. asked how my trip was and if i found her address easy to find. that was a first for me.

The Story:

well this was the last of the little earner i was going to spend this month. i wish i got a rebate more often. mischa started kissing me full on very slow it ws very horny the way she pressed her body up to mine so i could feel her pussy through my jeans. iknow she could feel had hard my dick was. helping me undress before she slipped out of what little she was wearing... mischa, i will be back and that is a promise. first got to earn some more cash this is not a cheap hoppy i had to tell her. she smiled said she will wait and see if i come back next month like i said. i could have fallen for this one. wow wee.
