### The Premises:

Another visit to the Chinese run, massage place outside Westferry DLR station. The flats are a bit run down, but the inside of this one is ok and clean.

### The Lady:

Melody is a tall, busty girl from Singapore a dress size 12 with D cup breasts.

### The Story:

Another splendid massage with lots of oil which had me drifting away. This time there was much more attention to the sexual side with lots of credit card swipes, which personally does nothing for me, and ball stroking which I do like a lot. The conversation was good and when I turned over I asked to see Melody's breasts and she asked me to take her bra off, but I was all fingers and thumbs. When she did remove her bra I was treated to the sight of a really nice, heavy pair, not too big just right for her size and they were really firm. No nipple sucking was aloud, but she did let me very briefly lick her nipple. The HR was excellent and it didn't take long for me to come.
