The Premises:

Decent first-floor flat in a fairly quiet side-street. Flat was clean and welcoming. Good size bed with full-length mirror. Subdued lighting and light music.

The Lady:

Cute as a button, small and slim. Leila looked less glamorous than the photos on the website but more cute ... and that's a pretty good trade-off! She is tiny but with some curves. She also has nipples like rubbery bullets which surprised me at first but were fun to play with.

The Story:

Having read the glowing reports on Leila I just had to give her a go. I'm fond of deep anal and petite Asian girls so this little sweetie looked perfect.

Soon as the payment was sorted, she produced a bottle of wine and got the party started, dropping to her knees to lick my balls. After declining her offer of a massage it was into the bathroom where she joined me in the bath and got up to all sorts of naughtiness including a lot of attention to my ass. The bathing wasn't any sort of time-wasting, it was more than she wanted to be sure that my ringpiece was ready for her tongue! I passed on the offer of CIM as I wanted to save myself for the main event.

Back on the bed for deep-throat OWO and then on to some extraordinary rimming. She really does dig for gold down there with a flickering, plunging tongue that just has to be experienced. More OWO then on to anal.

Having read the reports of Leila's capacity for prolonged anal I was looking forward to a good bout of buggery. Sure enough, the first five minutes were fantastic. Intense, balls-deep pounding which she seemed to enjoy and which led to us both being drenched in sweat. However, she then said that it was hurting too much so I immediately withdrew. I felt quite sorry for the poor girl when she explained that it was just too painful and that she would have to rest her asshole for the next two days! Fair enough - it's no fun if the girl's in pain.

After getting her breath back, Leila hopped on for some vigorous cowgirl. She's so small that you can really bounce her around and it wasn't long before I was filling the condom deep inside her.

Some more wine helped us to cool down ... then on to round two where a quick massage turned into more OWO, ear-licking, rimming and an expert handjob. After a messy completion I was conscious that my time was up but Leila insisted on bathing me again and even helping me to dress.

Throughout the appointment, Leila was friendly, giggly and eager to please. When the fierce anal proved too much, I was worried that I'd hurt her but she was worried that I might be unsatisfied! Don't know if she does DFK as I don't really fancy it with girls who rim.

She's a real treasure and I'd be happy to see her again ... I'll also know to go slower up that delicious Thai bum.
