The Story:

Found the place easily by sat-nav. Given a very warm welcome by Sandy when I arrived, offered a drink. I proceeded to the bathroom to tidy up.

Then to the bedroom, where we got undressed and lay on the bed kissing and caressing each other. I was in need of some affection and this was really hitting the spot!

I proceeded to explore her pussy with my fingers, which I could tell Sandy was enjoying - then I couldn't hold back any longer. I positioned myself so we were lying in a sideways 69 and licked and sucked on her delicious pussy. Sandy was lovely and clean and tasted divine!

I rubbed her soaking pussy light, but fast with my fingers for a long time as she was asking for more and loving it, until she came with a shuddering orgasm.

I then mounted Sandy 'missionary'. She has such a tight pussy - I think this is the tightest I have ever experienced! I was intending to move to anal, which was offered, but we were really making love, so intimately, still kissing, that I just didn't want to stop.

So we continued until I came and we kissed and hugged for what seemed like ages afterwards.

This is one of the best experiences of my life, let alone punts. I thoroughly recommend Sandy!!!

The icing on the cake - given a handful of sweets on the way out from little saucers by the front door - what a lovely touch!

I look forward to returning!!!!!!!!!!
