The Premises:

Small but clean.

The Lady:

NOT the same girl as advertised, a quick search confirmed that the pictures belong the the very famous model Darlene Kurtis. The girl that opened the door was far from pretty.

The Story:

There is not much to say, i got rushed out of the door in just 20min, the girl i've been with beared no resemblance to the pictures and was interested only in taking my hard earned. She didn't allow touching or kissing. The fake moaning made the whole experience quite sad. Shame on 90minute. Fake pictures, bad service.
