### The Premises:

Small apartment in a large hotel block in Chelsea. There was a guy on reception but the place is massive so he didn't seem to pay much attention to who was coming and going.

### The Lady:

She looks like she does in her website photos, i.e. stunning: blonde hair, bright blue eyes, good figure, nice breasts.

### The Story:

This was my first ever punt so I was a little nervous but Vicky immediately put me at ease: she is friendly and welcoming as well as beautiful.

After a shower and some intimate kissing, she gave me possibly the best bbbj I have ever had.

Having gone down on her we then had sex in mish: I didn't last as long as I might have, but that is only testament to how much Vicky had turned me on. We chatted a little -- she is an engaging and interesting woman -- and then more oral and I finished by fucking her from behind.

Overall: fantastic sex with a gorgeous and intelligent woman.
