The Premises:

Clean, comfortable studio flat in a well known building on Sloane Avenue, short walk from South Ken tube. Safe area, building has a doorman/porter who is easily ignored - I just made straight for the lift.

The Lady:

Exactly as per website. Pretty face, fantastic petite body, slim waist and enhanced breasts but not overdone and soft to the touch. Great arse, firm yet pliable.

The Story:

Well, all those reports are true, Briony is a legend.

Briony does indeed have a routine of sorts and I danced the dance much as previously noted: deep bbbj within 20 seconds of entering the apartment - check; assisted shower and deep rimming - check; face fucking, spitting and slapping - check; pussy and anal fingering - check; blindfold, handcuffs, poppers (not nasal spray) and verbal abuse (two-way) - check; hard fucking and hair pulling - check; deep throat, facial/cim combo and swallow - check!!!

I was expecting 'the routine' and was slightly apprehensive having previously experienced formulaic routines but this was anything but. The well-worn phrase 'freedom within structure' comes to mind and is particularly apt in Briony's case. It's not so much what happens - owo, dfk, cowgirl, doggy etc. - but the way that it does. This was an extraordinary improvised role play session, things just kind of unfolded.

Anal was not on offer, which was fair enough for whatever reasons she had and I think that Briony was aiming for an extended oral session. Nevertheless, I was desperate to fuck her and after about 45 mins I broke off from her mouth for some frantic mish, cowgirl and doggy - me pounding away as hard as I could and Briony loving every second, berating me and urging me on in equal measure and me giving my best in return. And even though it was all an act and I knew that it was, it felt utterly real and was exhilarating.

The most thrilling thing about the session was being totally disinhibited, demanding, and dominant - Briony was appreciative, saying that her visitors are all too often gentlemanly. I can't wait to go back; Briony suggested I go for a 2-girl next time and I may do or go for part two. An utterly amazing and unforgettable experience.
