### The Premises:

In Selly Oak, on Bristol Road. Not far from the university. It has an average looking exterior with a little enclosure at the entrance so you won't feel so exposed. Dual heavy doors covered by cameras to keep the dick heads out. Clean and cozy interior. The room we used had an ensuite shower.

### The Lady:

Late twenties to early thirties. Dark wavy hair. Strong EE accent. Beautiful, womanly body. Slim but curvey. Confident. Average height. Nice, naturally tanned complexion. Beautiful skin.

### The Story:

The massage was good. Kissing was not allowed. She knows that her job is to satisfy and so she shows more initiative than most girls do. She got a little vocal to encourage me along but not over-the-top like in porn. Her warm, soft, beautiful body felt amazing underneath my own. The climax was spectacular!

Personality wise, she is not what I would call a gfe. The conversation was weak, and she didn't 'get into' the session. This created a stale sort of climate. I knew that I was with a working girl, but a professional one. If she could improve on this one bit, I would become a regular.
