The Lady:

Stunning, what gets you first is her eyes and her smile. Not to mention a stunning Body.

The Story:

I got undressed all apart from my boxers and laid down on my front on the table and had one of the nicest massages ever. However on previously visits the masseuse would remove their clothes, even on just the standard massage leaving them in just their underwear this wasn't the case with Petra unfortunately. However what followed was the best hand job I've ever had. She seductively slid my boxers of and lubed my now very hard cock up. She bent over to reveal a stunning arse and told me I could play with it. When I came I nearly shot my load in my face which surprised both of us. That's how good it was.

A lovely lady very nice to talk to.
