### The Premises:

The hotel was easy to find following Bonnie's instructions, parking was no problem and passing reception to get to the room no problems using the entrance that Bonnie had recommended, nice, clean and comfortable.

### The Lady:

Well I can say that Bonnie is absolutely stunning, her profile is accurate and if any thing does not do her justice, she was dressed as I had asked in a short skirt and silk blouse, and you get the impression straight away that she is warm and friendly and full of sex appeal, this is one sexy girl. Bonnie is warm and friendly with a very naughty sexually playful side, she is the perfect GFE as she listens to what you want and then delivers with total conviction as though she has known you for years and knows exactly what you want and when you want it - Superb GFE not to be missed

### The Story:

Firstly I must say thank you Bonnie, I am still smiling about our time together, and here is why. Bonnie answered the door dressed as I had asked in a short black skirt and a silk blouse, she greeted me with a smile, a kiss and a hug that put me at ease straight away, we sat on the bed and Bonnie ask me about my likes and dislikes, she the proceeded to undress me, she lay me on the bed and started to give me a full on body to body massage with lots of oil, this has got to be the most erotic massage I have ever had, Bonnie then turned her attention to my old man, who by this time was very hard, she proceeded to give me oral with such enthusiasm, I just had to return the compliment and go down on her, wow Bonnie has the sweetest taste I just wanted to stay down there all night, we then move into 69 and I soon discovered that the more you lick the more she sucks, a very very intense experience not to be missed, Bonnie then climbed on top and started to ride me cow girl style, after a few minutes, to my delight she did a 180 into reverse cow girl and never even missed a stroke, my old man was so hard and she was riding him like her life depended on it, then she did it again a full 180, we rolled over into missionary, with her legs in the air and my old man pumping in and out of her wet tight pussy I was in absolute heaven, we then move into doggy and then Bonnie introduced me to Angus, and if you have read some of Bonnie other feedbacks you will know all about him. To have Angus round my balls and to watch that gorgeous bum of Bonnie's bouncing while I fucked her pussy was all I could take, I came so much it must

have come from my boot, and in bucket loads. Bonnie has to be one of the most sexy girls you could ever wish to see, so trust me guys make sure you pay her a visit, you will not regret it for one second, I am still smiling now and cant wait to make a return visit. Thank you Bonnie x
