The Premises:

As previously reported, very clean and pleasant. An added bonus as a first-time visitor is that using the postcode (MK2 2BQ) in the sat nav took me into the carpark right behind the Old Coach House.

The Lady:

Gorgeous. Blond, early 30s, great figure and very friendly indeed - a delight to chat with.

The Story:

This was my first ever visit to a Sensual Massage establishment as opposed to the more traditional punt, but I was encouraged by the reports on here about Ego.

I would have liked an hour, but traffic held me up and I settled for 45 minutes massage with assisted shower and body-to-body.

We began with the shower - Tayla was eager to strip off and rub me all over (well, almost all over!) with the salt scrub - and I have to say it was very invigorating.

From the shower to the massage table and this girl certainly knows how to massage - starting with me lying on my front and a very professional massage to the back, legs and buttocks. I had been a bit tight across my back and she completely relieved all the physical tension. Then it was time to turn over and gaze at her wonderful body as she massaged my front. She was happy for me to stroke and touch, although I didn't try to push it too far.

Finally, it was time for the body-to-body. First Tayla massaged lotion into her breasts, then climbed onto the bench with me and took my cock between those lovely boobs. Marvellous! More breast rubbing all over my chest, stomach and cock and then onto the HR - which was done slowly and gently, just the way that it should be. However slowly Tayla went, there was no way that I was going to hold back for long and I exploded. A gentle clean up from Tayla and that was that - my first Sensual Massage experience.

So, how do I rate it against the traditional punt? For me, the best part of punting is spending time

naked with beautiful naked ladies; the actual mechanics of the sex itself is the least interesting part. A massage like this is ideal - it's a time to be pampered by a beautiful naked lady and I'll certainly be back for more. In fact, I may have to give up punting in favour of the Sensual Massage.

Thank you Tayla for a wonderful induction!
