The Premises:

Mia works in a nice block, the parking at that time was bit hard to find tho.

The Lady:

Her pictures are accurate. Undoubtedly she is a beautiful girl and she was funny to be with too. With her long dark hair, fantastic tits and bottom she looked out of this world. Definitely she did everything to please me.

The Story:

We started to make out with DFK, she felt slightly cold at first but soon got warmer. She went to perform an outstanding BBBJ with DT, because I had two hours booked she was not in a hurry and took her time playing with my cock in a way that i will remember for a long, long time. After my first cup, i went to reciprocate and performed a lengthy session of DATY, she said that i know how to use my tongue, it was nice to hear that. As we were having sex she was quite naughty, somehow surprised me but i loved it. Mia seems to like anal too and made it loud and clear her feelings. All in all it was a wonderful experience with a fantastic girl.
