Blonde, great assets, stunning and not from the usual eastern european countries, I'll let you find out where she is from, i had to guess!

The Story:

I think the best visit i have had to such an establishment, maybe because we hit it off really well (but maybe she is like that with everyone). Not going into details but Debbie really crammed a lot into our session and pushed to do some very fun stuff.

I really don't think that anyone should go see her but I will return to confirm my report ;-)

thanks Debbie, sorry I left you so horny!
