The Premises:

Fantastic pad, great river views. Clean, secure, a bit out of the way but easy enough to get to from the City, perfect for that bonus after a day's hard work

The Lady:

Angelina is gorgeous, slim and sultry. Every bit of her will blow your mind away.

The Story:

Had a quick shower and then sat down for a chat, really friendly girl who knows how to have a laugh. Moved to the bedroom, were all I'll say is that Angelina did not disappoint, far from it, she blew me away (no pun intended).

Treat her well, she deserves only the best.
