The Premises:

a beautiful london town house nicely decorated in a very pleasant area of london. I felt very safe in such a nice part of London. I went by train but there is, I think, a possibility of parking outside.

The Lady:

In her early 20's I would think. A very attractive young lady with a captivating smile. Her photos & description on her website are 100% accurate. What they don't reveal is her great charm & personality.

The Story:

I am an old guy and was on my way to visit an old friend who was getting over an operation for cancer. I had heard of HOD's new town place so thought I would give it a try. I was texed the address by the charming and helpful receptionist and was made very welcome when I eventually arrived. I was introduced to the lovely and immaculately groomed Sally and enquired as to whether she minded an old guy like me. She said that she did not mind at all and went on to prove it. We discussed her likes and dislikes and she pointed out that she had just had a wisdom tooth removed and apologised for the fact that she could not therefore provide OWO(because of the risk of infection). This did not matter in the least because her OW was so good that it could easily have been OWO. She provided me with all her advertised services(including a lovely sexy massage) and, in particular, seemed to enjoy R.O.and complimented me on this. Everything that she did was done with great warmth and feeling and she obviously wanted me to enjoy myself. I asked her to finish me off with hand relief which she did expertly. When this was done I asked her if it was time for me to go. She said that there was still plenty of time left and we enjoyed a lovely cuddle and chat. I must have overstayed by several minutes but there was no rush by Sally to get me out. In point of fact I had to instigate my departure myself! If you are looking for a beautiful, friendly and intelligent young lady who is not a clock watcher then you need look no further than Sally. Thank you Sally you are a real star and thank you HOD. for providing so many lovely ladies. Will I return? just try to stop me.
