### The Premises:

Nice modern apartment, clean and tidy, easy parking and discreet.

### The Lady:

Petite, with a lovely figure - not totally shaved which is a pleasant change. Early/Mid thirties but looks younger

### The Story:

Delightful girl - very friendly and attractive, beautiful figure.

Seemed to take pleasure from the encounter, she was very responsive and made me feel very welcome - and we had a nice cuddle afterwards.

An hour to remember, I cannot wait until I see her again - pity she does not work a little bit later or more often :)
