The Premises:

her bell was not working , so was told to call as i approached,

The Lady:

Sisi who i seen 3yrs ago was very sexy as usual, tiny and abit crazy as the site says, but in a good way.

The Story:

the reason i had to see sisi was her deepthroath oral skills, nice rimming . sex in multiple possitions. watersports on her face. she remaineded me of the movie - girl interrupted. Sisi is a must see. just flatter her with comments and you are half way to heaven with a gene that obeys to any thing u want. She even poored ky gell in her mouth before oral. no more comments.i will be mad if i dont return. there was no anal but no problem for me, as i dont like anal
