Penelope is very good looking, much more attractive than the pictures on the website

The Story:

I had chosen Penelope after reading FR93142 and looking at the pictures on the website. As the website does not specify the services offered, I asked the agency to please confirm that A levels were on offer, as suggested by the FR. Answer: "yes, of course". Alright, then.

Penelope is very attractive, with large breast, a slim waist and a very Brazilian bum. She kisses nicely, likes some attention paid to her breast and soon was giving me Oral (covered). My attempt to return the favour was short-lived, and she apparently preferred to move on to sex. When I tried to touch her bum, I was told without uncertainties that that was not an option as "I do not like it" - and she could not believe the agency could have told me so. By that point the atmosphere was spoilt and I did not feel like hanging around, despite her attractiveness and my cash on her bedside table. She was obviously uncomfortable herself (she went as far as suggesting me a friend of hers who "does everything"...). As I left, I sent a complaint text message to the agency - I have not received any feedback yet.

Penelope is good looking and possibly quite good at basic sex - the culprit for the negative review is exclusively HotLondonEscort, a terrible agency which I recommend to avoid like an infectious disease. And the author of FR93142 is either much luckier or much more generous with the truth than me...
