### The Premises:

Entrance in back of street, not that private and a bit grotty. Flat on 2nd floor not fantastic, maid fairly friendly but place was a bit run down.

### The Lady:

Brunette in her late twenties. Nice tits but legs a bit chubby, fact not that attractive. Said she was Swedish but I doubt that.

### The Story:

Cassandra didn't seem to be enjoying her job at all really and the experience was not that great. Started with covered blow job with a bit of eye contact, went into missionary position followed by doggie and finished in mish.
