The Story:

Tanya's not tall, but has curves in all the best places. She was also welcoming and friendly, even made me a nice cup of coffee and offered me a choccie before we started.

Tanya's shaven pussy is very responsive to oral, which got her nice and wet for some frantic doggie sex. I decided I wanted a rest and man does she deep throat! I don't think I've ever felt my cock so far down a girl's throat. We got back to mish and it was great experiencing her soft and smooth body - those humungous G cup boobs are wonderful to the touch too. She wanted doggie again and came that way, asking me to cum over her magnificent tits.

Tanya's relatively new as a WG but she's has all the attributes for success - not least that she clearly enjoys fucking and sucking. She has a face, figure and personality that really does it for me. I'm a regular from now on.
