The Lady:

Late 30's, Very attractive and takes good care of herself.

I was quite shocked to see just how good looking she is.

She is the type of woman any man would want to look at least twice.

The Story:

April greeted me in her apartment and got me comfortable with a nice cup of tea.

We sat and chatted for a bit.

We talked about a few topical things.

After a while we went to the bedroom, April got undressed to reveal a beautiful diminutive figure couple this with a beautiful face. WOW! what can I say.

She has such gorgeous kissable lips.

Her oral was absolutely superb and her French kissing just enhanced the excitement.

I Then proceeded to give April oral, she tasted sweet and she was able to achieve an explosive orgasm.

Got the impression April loves to be given a good seeing to, especially in doggie fashion.

I did my best to oblige, she thanked me for delivery of execution in a couple of my favourite positions.

All I can say really is that there are very few women who can combine beauty and charm with the correct attitude in what they are doing.

I would go as far as saying that April is a rare find indeed!

I wish her well.
