The Lady:

Fit, horny as hell, tastes and smells so sweet. Helen looks great but its the fantastic attitude she has that makes her so good.

The Story:

Opened the door in fishnets, tight little black skirt and a low blouse. French kissing in the hallway for a good while, as I was led upstairs I had to ask Helen to stop, bent her over and flicked my tongue in her wet pussy.

And it went on from there. Loads of foreplay and Helen rolled on her back opened her legs and I asked her what she wanted, arse or pussy, I was slightly dissapointed but not for long when she asked for her pussy to be fucked. I came once, Helen swallowed the lot and we chatted for a while. Feeling horny again I straddled her and popped my cock in her mouth and Helen started sucking like a good girl.

One hell of a time.
