The Story:

I don't normally make a big deal out of seeing an escort preferring to keep it to myself but Lauren really is something special that would be selfish of me not to talk about. In my opinion, this girl is incredible and is by far one of the sexiest ladies i have ever had the pleaseure. In my book she wins on looks alone but with her special escort talents she is... well, unbelievable. I love a Spanish accent but I couldn't give? a toss when I got my hands on her 34DD tits. Wow! A handful and shes got one sweet ass tight body. And yeah true to form she gave the most mind numbing BJ ever and slipping in behind gave one of the best views ever. Just see those beauties swing and listen out for the Spanish moan. Enjoy!
