The Story:

It was the first time I had met Pamela, and I was more than satisfied with the choice I made. Didn't expect her to match up to her photos, so few escorts do, so was pleasantly surprised when she opened the door.

More or less went straight to the bedroom. You can't help but be mesmerised by that great boobs. We massaged each other, it was a great experience to give Pamela a nice massage in return. Had sex in many positions, she seems to enjoy being on top which was great to see those boobs bouncing around. Wish I hadn't finished so quickly, would love to have stayed longer, but I'm sure I will visit her again, finances permitting.

Highly recommended
