The Premises:

I went to Pulse today and I was greeted by the friendly maid who showed me up to the room and offered me a drink. The place looked very clean and inviting and the room was tidy with an ensuite shower.

The Lady:

Bonni walked in nearly straight away and I was very impressed as she smiled at me and kissed me on the cheek; she stands at about 5"10 in her heels with long wavy brown hair, about 22 yrs old and she has a great body.

The Story:

She gave me a massage while we chatted about general things and she offered me the GFE. Very sexy and seemed to enjoy it as much as i did. Overall it was a fantastic service with a lovely young lady who made me feel very comfortable.
