The Premises:

I arrived discreetly at Maria's flat at the pre-arranged time. It is tastefully decorated, very clean and with good parking nearby I felt totally safe in the surroundings and the way I was greeted, with good parking nearby

The whole experience was unrushed and friendly, I was also able to avail myself of a shower before we got started and although this may sound over indulgent it was really nice to dry myself on warm, freshly laundered towels and this set my mood for a thoroughly enjoyable experience.

The Lady:

What a beautiful woman! Maria is very cute, sweet smile, tall, shapely body with a firm generous bust. Dressed as requested.

Softly spoken, polite, real sweetie. Maria is chatty not overly but suited me and we had a fun time. Maria is very sensual and seemed to enjoy a lot of contact. This was a really intense erotic experience, it felt like we really connected. A completely different experience. One that I would love to have again but I hesitate in the fear I will be addicted.

The Story:

I had an intense hour with Maria on many levels, I think she felt similar, maybe not exactly the same. Would love to visit again and again.

There was no clock watching and I probably ended staying a little longer than my allotted time. Thank you Maria, you are a sweetheart!
